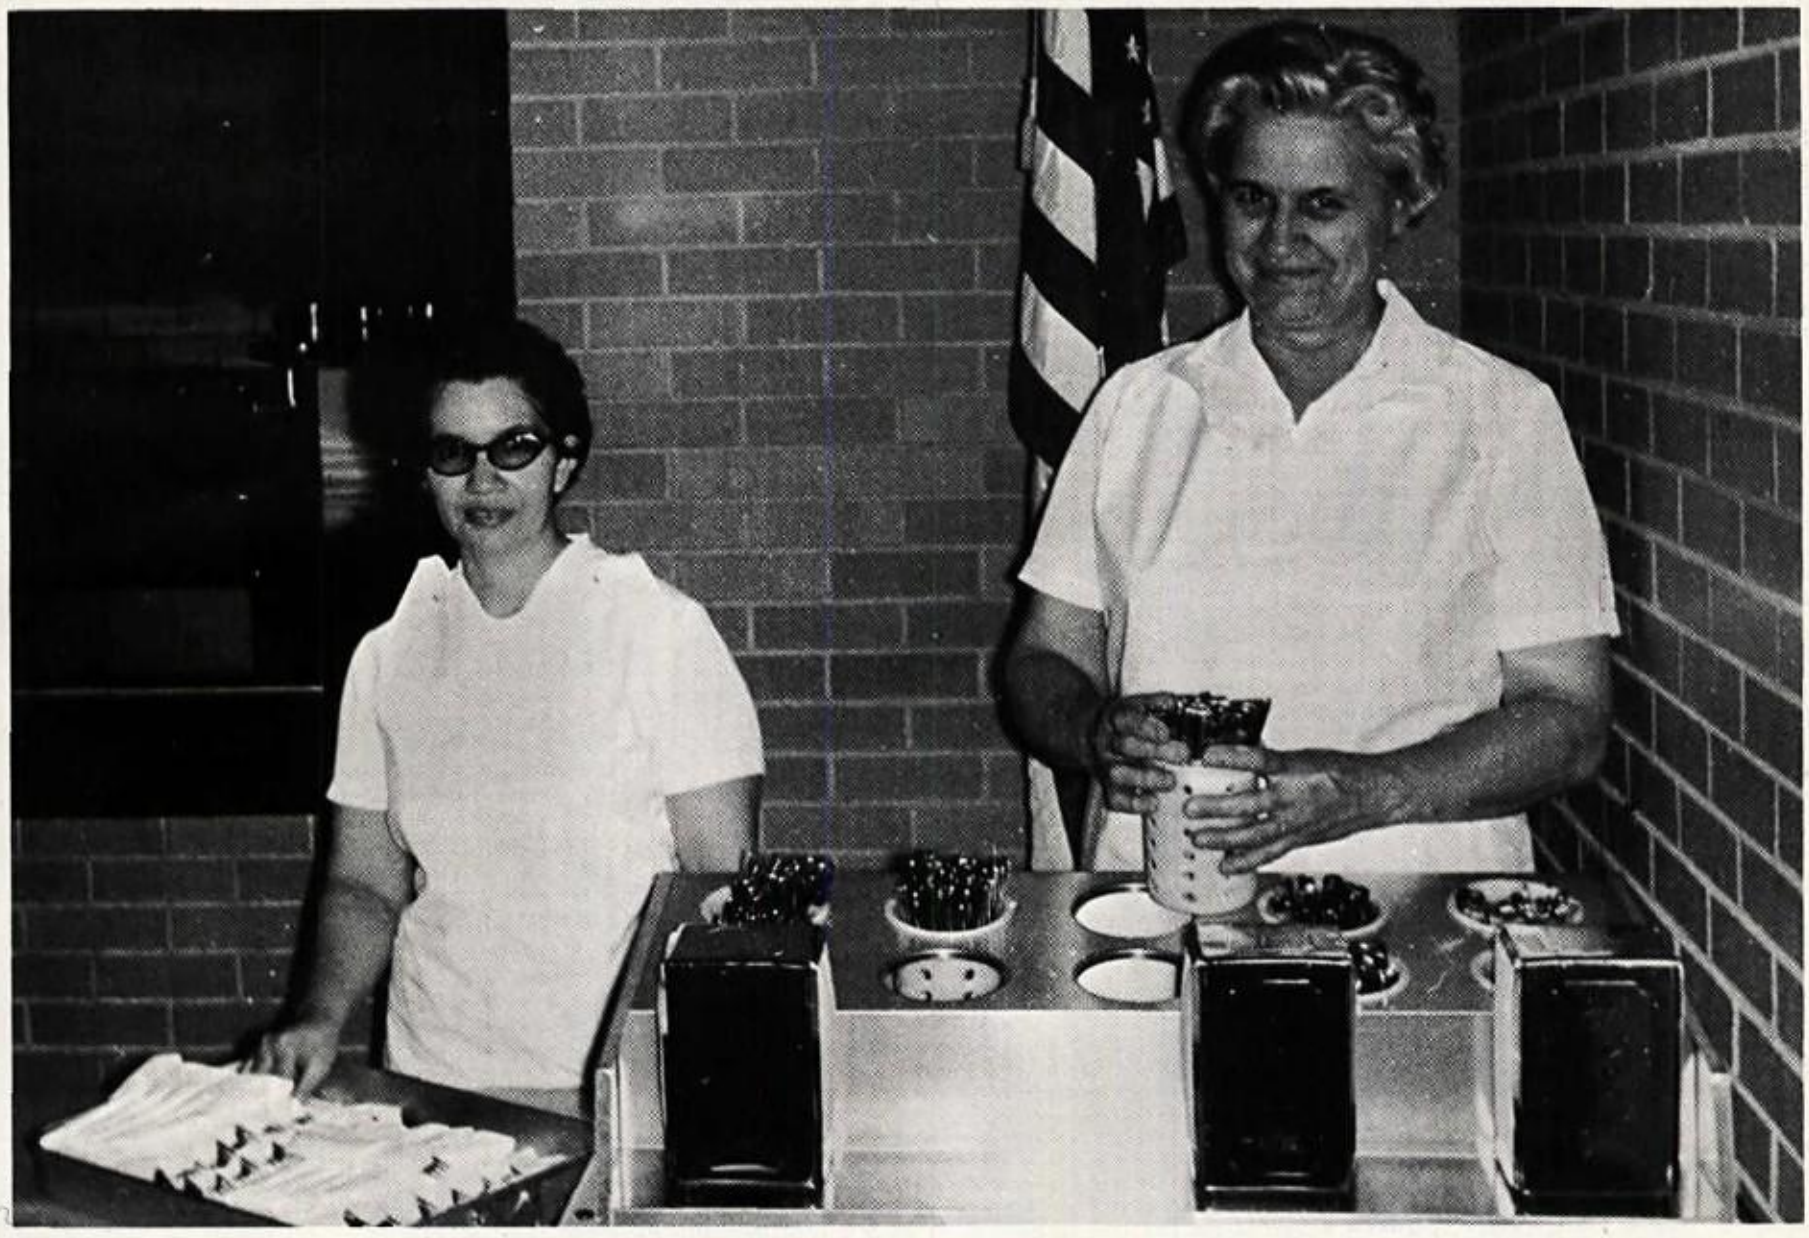
BULLDOG

THE BULLDOG



The Annual Staff proudly dedicates this annual to two of the nicest people in our school. They are not only our cooks, but real friends, who when asked to help in any activity always say yes. For all the many times any class or organization has asked "Would you please help us?" THANKS

You have a place within our hearts
A place reserved for you
Because you are so dear to us
And always will be too.

God send the sunshine of His love
To brighten all your way,
God keep your heart a happy heart
Throughout each passing day,

God give you rich fulfillment
In everything you do--
And always, through each passing hour,
God's blessing rest on you!
